

2009 Field Information - [Download & Print PDF Version](#)

63116 & Hwy 831 Long Lake, AB

We now have 10 different courses to choose from. They include the following:

- 1) **Target Zone** - Target practice for anyone who wants to practice using markers. This area is also used to "chronograph" all outside markers.
- 2) **Tire Course** - Speedball course which consists of many tire barricades for each team to battle to the finish. Very fast paced game in small area.
- 3) **Charles Town** - Over 40 buildings built into one town. Features 2 storey Church and Clock Tower! Different scenario games available.
- 4) **2009 PSP Field** - Professional 2009 XBall regulation sized speedball field set up all season. Very fast paced games. Also used for XCalibre Series events and team practices.
- 5) **2009 USPL Field**- Pro Series 2009 USPL regulation sized speedball field set up all season. Very fast paced games. Also used for XCalibre Series events and team practices.
- 6) **Deadwood** - Wooded course. Features tall grass, wooden bunkers located on 4 acre playing field. Fun for large groups, especially with camo!
- 7) **NEW Fort Knox** - 100 man course located on 10 acres of playing field with pathways through the trees. Who knows where the enemy might be??? **NEW** 20,000 sq ft "Fort" COMING June 2009! Special games available. Great Attack & Defend course!
- 8) **Trenches** - 3 acre playing field which features 2 20' tall sniper towers, trenches, bridges and lots of bunkers. Most played field because of the intensity of this Military themed course.
- 9) **Junk Yard** - A divided playing field split in two by a wall of dirt with lots of vehicles to hide behind. The only way to reach the enemy is to go through one of two city buses which are buried in the wall of dirt. Very intense game play if you get trapped a the bus!
- 10) **Maze** - A labrynth of walls only 4 feet high allowing you to see the enemy but making it very difficult to reach them.

We also have an "Underground Pro Shop" where we distribute our rentals and equipment for sale. We have now expanded it to over 2000 sq ft packed with the newest gear from around the world for the 2009 season! It is located in our picnic area where we have BBQ's available for you to cook your own food with friends and family. The Pro Shop also carries a variety of cold beverages, and a small concession. We accept Debit, Visa, MasterCard, and of course, Cash.

Currently, we have over 200 rentals with 5 different gun packages to choose from. All packages includes everything you need to go play (incl. camo coveralls > small - 5XL, 200 rounds of ammo, unlimited CO2 or HPA refills, Unlimited field time, and more!) The main difference between each package is the gun style, accuracy and range. Please note, for groups over 10 you will receive a \$5.00 discount on every package. For Birthday's & Stagg's there is an additional \$2.00 discount on **every** package. Plus, for groups over 25 and Corporate Events, you also receive discounts on rentals and paint for everyone in the group! For special occasions, ask about our BUNNY SUIT or DEER SUIT!

If your an experienced paintball player and/or have your own gear, we have great Memberships with huge Discounts on everything we have to offer!

Reserving a registration time is only for sign up/distribution of rentals/ chrono/reviewing rules. Once your group has been registered, there are no extra charges for field time and Co2/HPA refills so you may play as long as like for the day. We recommend reserving a registration time in advance to ensure availability of rentals, no waiting time and the best service possible.

Referees are supplied with every group and will remain with the group at all times in the park. Park rules are reviewed and players with their own equipment must be chronographed before anyone plays. Anyone who plays in the park must sign a waiver form. For anyone under 18, they **must** have a parental/guardian signature. We recommend having a parent supervise/accompany children under 12. Waivers may be "pre-signed" to speed registration time.

Our hours of operation as of May 10th, 2009 are as follows:
9am - 6pm Mon - Fri & **9am - 10pm** Sat - Sun

(780)-576-2211 Office
